WHAT IS THE CANDO CONNECTION?

In the Summer of 2007, a group of former Candoites, Rusty Papachek, Jill Eggl, and Cindy Eggl, started brainstorming about ways to GiveBack to our former home town of Cando. Discussion centered around ways of giving back time, talent, and treasure to benefit nonprofits and governmental and educational entities, i.e. parks, golf course, school, theater, library, etc. in and around the City of Cando, ultimately benefiting the area that has enriched each of our lives through the years. We knew that other former Candoites might also appreciate being given an opportunity to GiveBack to their home area, thereby lending support to charitable endeavors and providing a much needed boost to area residents, who are frequently asked to participate in worthy community causes.

We selected the name "Cando Connection" for our GiveBack initiative, so that any person having a connection to Cando would feel welcome to participate in any manner. Other than current or former Candoites, that would include people that have a soft spot for Cando through old family connections, hunters that used to hunt or are still hunting in the area, or anyone that has some connection to the community. 100% of the proceeds of the golf tournament and all charitable gifts will ultimately benefit the Cando area!

Many people with a Cando connection have inquired how they can participate in the Impact-Cando Connection Fund. If you would like to give a gift to the fund, a donation form can be located online at www.candoconnection.org under the Our Fund/How to Donate tab at the bottom of the webpage. Just print out the form and mail it, along with your check made payable to the Impact-Cando Connection Fund to the address listed on the bottom of the form.

There is also an opportunity to give a gift securely online by choosing the "Donate with Impact" button on the Our Fund/How to Donate tab at the www.candoconnection.org website. This is your invitation to be 1 of 500 to GiveBack or to get involved in whatever way you would like to GiveBack to the Cando area !

**CANDO CONNECTION
FUND AT
IMPACT FOUNDATION**

Proceeds from the annual golf tournament and any charitable gifts received through the GiveBack initiative will be used to fund the Cando Connection Fund at Impact Foundation, a 501 (c)(3) nonprofit organization established in 2004 to serve North Dakota and western Minnesota. The Foundation's mission is to build the capacity of nonprofits, businesses, and individuals to maximize their community impact. The Cando Connection Fund goal is to raise over \$1 million in 7 years to benefit the Cando area. Impact Foundation has waived its fund management fees for the first five years. In subsequent years, the fund management fees will be less than 1%. 100% of the funds raised go directly to the Cando area and all donations are tax deductible.

Cando has been chosen by Impact Foundation to be a "model" community in the region to demonstrate what can be accomplished when people make a decision to GiveBack to a community. Our fund is growing thanks to the generosity of donors and proceeds from our golf tournament. We are proud to report that grant money totaling \$14,453 has been awarded back to the Cando area since the fund was established, and we look forward to investing in other charitable activities as they are identified by Cando area nonprofits, governmental and educational entities in the future! Our website provides updates on the fund, how to participate, how to apply for a grant, grants that have been awarded, reports on past events, and new events being planned - just visit www.candoconnection.org.
