Cando Connection Golf Tournament

Rose Creek Golf Course/Season's at Rose Creek
Fargo, ND

WHAT IS THE CANDO CONNECTION?

In the Summer of 2007, a group of former Candoites, Rusty Papachek, Jill Eggl, and Cindy Eggl, started brainstorming about ways to GiveBack to our former home town of Cando. Discussion centered around ways of giving back time, talent, and treasure to benefit nonprofits and governmental entities, i.e. parks, golf course, school, theater, library, etc. in and around the City of Cando, ultimately benefiting the area that has enriched each of our lives through the years. We knew that other former Candoites might also appreciate being given an opportunity to GiveBack to their home area, thereby lending support to charitable endeavors and providing a much needed boost to area residents, who are frequently asked to participate in worthy community causes.

Ironically, it was through the sport of golf that the three of us reconnected. We would see each other at the golf course, take time to talk, and then start reminiscing about old times and how we were so happy to be raised in such a great community like Cando. We also started talking about former Candoites who now live in Fargo and the surrounding area. We were thinking about how much fun it would be to have a Cando reunion in Fargo for all of us who have settled here. These conversations grew from having a reunion, to planning a scramble golf tournament, and finally turned to having the golf tournament be a charity event to benefit the Cando area. We were going to send the notice of the golf tournament to people that were raised in or used to live in Cando, but we made a decision to jump in (with all six feet), to open the tournament to people that have a soft spot for Cando through old family connections, hunters that used to hunt or are still hunting in the area, or anyone that has some connection to the community.

We selected the name "Cando Connection" for our GiveBack initiative, so that any person having a connection to Cando would feel welcome to participate in any manner. 100% of the proceeds of the golf tournament and all charitable gifts will ultimately benefit the Cando area!

Since Fargo is centrally located, we are hoping that people from (why not dream big) all over North Dakota, Minnesota, or wherever you might currently reside, will participate. It is our hope that we will be able to fill all available spots for this golf tournament, and would need to plan for an expanded event in future years.

If you are not a golfer, or cannot participate in this inaugural event, consider participating through the GiveBack of your time, talent, or treasure in a meaningful way. This is your invitation to get involved in whatever way you would like to GiveBack to the Cando area!

CANDO CONNECTION FUND
ESTABLISHED AT
IMPACT FOUNDATION

Proceeds from the golf tournament and any charitable gifts received through the GiveBack initiative will be used to fund the Cando Connection Fund at Impact Foundation, a 501 (c)(3) nonprofit organization established in 2004 to serve North Dakota and western Minnesota. The Foundation's mission is to lead innovative initiatives to increase and improve the impact of charitable giving. Impact Foundation commissioned The Boston College Center on Wealth and Philanthropy to conduct a study of the coming wealth transfer in North Dakota during 2001-2005. Notable statistics revealed:

- North Dakota will transfer \$103.7 billion to family and other heirs
- Charitable giving, both lifetime gifts and bequests, is estimated at \$67.2 billion
- Estate fees (debt, burial costs, and legal/probate costs) will amount to \$7.2 billion
- Loss of capital to North Dakota due to estate taxes is estimated at an alarming \$55.3 billion

Given this projected transfer of wealth and the tremendous charitable investment potential, nonprofits must prepare themselves to become superior performers capable of maximizing donors' investments in their communities. When nonprofits operate more effectively, our communities are much better served. The Cando Connection Fund goal is to raise over \$1 million in the next 7 years to benefit the Cando area. Impact Foundation has waived its fund management fees for the first year. In subsequent years, the fund management fees will be less than 1%.

Donor Services:

- Donor Advised Funds
- Charitable Gift Annuities
- Charitable Remainder and Lead Trusts
- Endowment and Spend-Down Funds
- Field of Interest Funds
- Scholarship Funds
- Private Foundations—formation and management

Impact Foundation Initiatives and Programs:

Impact Institute for Innovation and Effectiveness provides customized training/consulting to nonprofits on effective operational strategies, efficient fundraising systems, and volunteer programming to optimize long-term sustainability resulting in a greater impact. Impact also assists donors and their legal/tax/financial advisors in creating more tax-efficient wealth transfer solutions. The Impact Charitable Planning process is designed to stem the out migration of capital due to avoidable estate taxes. Other Impact Foundation focuses include economic development initiatives, faith and civic based partnerships, and other charitable opportunities.
